THE SOLUTION
YOU'VE BEEN
WAITING FOR.

SAFE & SUSTAINABLE BENCHTOPS

Häfele is committed to providing you with safe and sustainable benchtop options.

That is why we only work with manufacturers who can ensure us that what they make is sourced in a sustainable way as well as providing products that are safe to be cut and installed, giving you peace of mind that your benchtop is reliable and hygienic from start to finish and for many years to come.

Mirostone®
Duopal® Quadra

MIROSTONE®

Mirostone® is a range of durable solid surface benchtops that have all the beauty and feel of natural stone combined with exceptional practicality.

Mirostone® is the perfect surface for domestic kitchens, but is equally at home in the bathroom or bedroom.

Mirostone® can be safely installed in your home using standard woodworking tools so therefore successfully avoids all the time consuming delays and inconvenience of other surfaces.

Mirostone® is a modified acrylic meaning unlike stone composites and other surfaces in the market, it can be repaired and renewed with ease.

DIAMOND WHITE

Mirostone's® eight distinctive designs give you all the choice you need to compliment your colour scheme.

Mirostone® is 20mm thick with a square edge profile and the colourful stone effects are not just skin deep, they run consistently throughout its thickness. So now you can have uniquely stylish and practical work surface features. Being a solid modified acrylic material it has no chipboard or MDF core, making it completely waterproof. This non-porous quality makes Mirostone® one of the most hygienic surfaces available.

It's reassuring to know that all Mirostone® surfaces have a 10 year limited warranty

DUROPAL® QUADRA

Duropal® Quadra laminate benchtops are made in Germany with uncompromising quality and sustainably sourced materials and can be used wherever very high demands are made on surface resistance and durability. Thanks to their hygienic advantages, the classic areas of application in kitchens and bathrooms are the perfect fit.

PALE LANCELOT

Duropal® Quadra benchtops offer the best quality laminates manufactured by the world's most environmentally responsible manufacturer.

Duropal® Quadra benchtops are available in 10 different colours, 38mm thick and have a 3mm tight formed radius square edge, with a built in polyurethane drip edge. Quadra benchtops are resistant to reasonable heat, to stains from everyday use and have a complete moisture vapour seal to the underside of the top.

Thanks to their hygienic advantages, the Duropal® Quadra benchtops are perfect for kitchens and bathrooms and for industrial and commercial workplaces.

Duropal® Quadra benchtops are covered by a 10 year limited warranty.
